

Clinic/ Group Closure

Due to the current situation with COVID-19 we are cancelling all baby clinics and group sessions today and for the foreseeable future to ensure we prioritise you and your baby's health and wellbeing during this time.

We will be reviewing the situation constantly and will reinstate these services as soon as possible.

If you are concerned or would like to speak to a health Visitor about your baby's health, development or any feeding issues then please contact our Single Point of Access on 01246 515100 and your call will be transferred to a Health Visitor.
